Subject: Acknowledgement of Contribution

Dear Ms Anita Chouhan,

We sincerely thank you for your generous contribution of ₹15,000 to **Samarthanam Trust for the Disabled**. We acknowledge the receipt of this amount, which has been **utilised towards Skill Training for Livelihood** for one student under our Skilling and Livelihood Program.

Our **Skilling Program** aims to empower youth with disabilities and those from underprivileged backgrounds through vocational training, communication, and digital literacy skills — enabling them to gain sustainable employment and lead independent lives.

We deeply appreciate your support in helping us build an inclusive and self-reliant community.

Warm regards,
